

## **Social Action Committee Description**

By Becky Marcus, NFTY-CWR SAVP 5779-5780

**General Committee Members** are expected to:

- Participate in writing and leading social action programs at regional events
- Help brainstorm social action themes and donation items for events
- Bring passion and enthusiasm to NFTY, and especially to the social action aspects
- Assist in leading other programs and mixers as needed
- Seek to promote and incorporate Tikkun Olam into everyday life

Along with all the responsibilities listed above, the **Further Action Coordinator** shall:

- Research social action opportunities available in all parts of the region
  - Examples: Hands-on volunteer work, organizations to donate to, interesting speakers in the area
- Make sure programs educate participants on ways they can further their involvement with the social action topic discussed
  - This could include contributing to all SA programs using the above described research
- Contribute to sub regional event planning by suggesting potential social action experiences other than programming
