

Why I want to serve on regional board:

As a passionate Jewish teen, I cannot stand idly by while there is still good to be done in the world. My drive for social justice will positively affect our region and encourage our NFTYites to demand change. Through my experience participating in the Team Enough Lobbying Collective, serving as my TYG's president, and lobbying in Sacramento & DC, I've seen what can happen when a group of passionate leaders unite for change.

My favorite element of NFTY:

Our community's passion for social justice invigorates me. When I see another NFTYite engage in a social action program for the first time, it excites me because they're realizing that they can make a difference. I love how NFTY CWR shows a strong sense of Tikkun Olam, we always do what we can to repair this world.

New Member Ideas:

- I will put more of an emphasis on participants assuming leadership on their own terms
- Connect with your Regbo!
- This could look like distributing a form at the beginning of the year, so regbo knows who they can go to for group leading throughout the year.

ELLA SEAMAN FOR SAVP 5780-5781

My Platform:

Jews for Justice Committee

Join a minimal time commitment social action sub group. Engage your TYG in SA programs, participate in Social Action educational webinars, utilize social media to educate your peers/community, join in a local march/peaceful protest, and lobby our representatives through social media and in person.

Social Action Carnival

As our calendar is changing, I'm enlisting all NFTYites to give back to our local communities in a unique way. Join in a variety of stations that may include but are not limited to making dog toys, tying blankets and creating homeless care kits, making cards for hospitals and more. Don't miss an opportunity to lend a helping hand beyond learning, give back!

Subregional "Region Rescue"

I will elevate our work with SAVPS from all around our region to create mini events with a few TYGS at a time, strengthening our sub regional connections. Join me in going out into local communities to make a difference. Together we can be helping out at Glide memorial serving meals while others may be in a neighboring community planting a community garden in a lower-income neighborhood.
