

Alexa Folb for NFTY CWR MVP

My favorite part of our region is the welcoming, diverse community!

I want to help strengthen TYGs by connecting them to one another for joint events!

I think that social media is a very impactful tool for recruitment and I want to increase use of that to personally reach out to people!

After talking with a newer NFTY CWR member, one change I want to make is to make leadership in your first year of NFTY more accessible and approachable!

I am running for regional board to give back to a community that has already given so much to me!
